February 2020

Valentine Box

Families are asked to create a box for our Valentine exchange. The only requirements are that it has an opening big enough to receive Valentines, you bring it on the day we are exchanging and that it is kid-led and fun!

Valentine Exchange

The kiddos are asked to sign their name to 19 (the number of kids in class) Valentines to share with their classmates on Thursday, February 13 and Friday, February 14. This is an activity meant to give the kiddos practice writing their names even if it's only partially signed. Please do NOT put classmates' names on the Valentines, or include candy or food due to allergies and sensitivities. The kids will be mailing their own Valentines using one-to-one correspondence. If you are available to help while the kids are mailing, I know the teachers would appreciate it.

No School

- **Friday, March 6** - The teachers are attending a conference day at Concordia University Saint Paul
- **Thursday, March 19** - Conferences
- **Friday, March 20 - Friday, March 27** - Spring Break

Easter Lutheran by the Lake

Come and enjoy meeting new friends, and playing inside the Great Room at Easter by the Lake! This adult/child activity gives parents, guardians, and grandparents the opportunity to meet and visit with each other. Toddlers and preschoolers will develop motor skills and coordination as they "run off" some energy. We end each morning with a Bible story and prayer. Hot coffee and tea are provided. No registration is required and it's free. Invite your friends!

MOPS (Mothers of Preschoolers)

Easter Church has a MOPS group that meets on the 2nd and 4th Tuesday of each month at Easter by the Lake. It is a time for moms to gather and support each other. Childcare is provided for a fee. If you are interested in learning more about MOPS contact janeanlukes@gmail.com or go to mops.org.
